 Kampala, Uganda

 [linkedin.com/in/emmanuel-amodoi-090449387](https://www.linkedin.com/in/emmanuel-amodoi-090449387)

Skills

- Technical leadership and team management skills
- Solution design, proposal and delivery causing business impact and growth
- Project management and delivery of integrated security solutions managing budget, scope and timelines according to industry standards.
- Client engagement and stakeholder relationship management
- Team development, training and capacity building
- In-depth knowledge of security and IT systems installation, maintenance, and troubleshooting e.g CCTV, access controls, fire alarms, intruder alarms.
- Control room set up and operations skills
- Inventory and equipment management skills
- Strong computer skills including troubleshooting computer problems

Profile

Integrated Security Systems Lead with 11 years of progressive experience delivering end-to-end CCTV, access control, and integrated security solutions for high-profile government and private sector clients, including URA, WHO, Airtel, and the UN. Proven track record of driving operational excellence, leading high-performing technical teams, and delivering complex projects that integrate technology into security, reduce risk, and optimize cost efficiency. Recognized for mentoring technical talent and aligning solution architecture with strategic business objectives to support sustainable growth and profitability.

Education

Bachelor of Science in Computer Science (In Progress) ISBAT University	2027
Diploma in Telecom Engineering Uganda Institute of Information and communications Technology (UICT)	2015
Uganda Advanced Certificate of Education Soroti Municipal Sec. School	2012
Uganda Certificate of Education Soroti Municipal Sec. School	2010

Employment

Team Leader Technical Securex Agencies	Dec 2024 - Mar 2026
- Led a 17-member technical team delivering integrated security solutions across multiple clients ensuring compliance with industry best practices and client requirements. - Spearheaded the planning, design, and implementation of nationwide integrated systems (CCTV, access control, intrusion, fire detection, and time & attendance) for Wazalendo SACCO, and delivered high-profile project take over for Standard Chartered Bank and National Drug Authority, strengthening risk management, operational efficiency, and business continuity. - Managed project budgets and resource allocation, aligning technical delivery with organizational objectives and client expectations. - Represented technical operations in client service review meetings, driving timely issue resolution and improved service delivery outcomes. - Facilitated preventive maintenance and technical training initiatives, ensuring operational resilience, reducing downtime, and strengthening client confidence in delivered solutions. - Prepared and presented technical and operational performance reports to senior management, providing insights that informed strategic decision-making. - Organized training programs for the technical team to keep skills current with industry trends, OEM certifications, and emerging security technologies, ensuring readiness for complex integrated projects and sustained client confidence.	

Technical Supervisor**Jan 2024 - Dec 2024****Pinnaclegroup (Pinnacle Security & Protectorate spc)**

- Represented the organization in technical bidding processes, contributing to successful proposals for key projects including WHO and Airtel Uganda.
- Coordinated planning and execution of integrated security system installations and maintenance across diverse client sites, maintaining adherence to operational standards and providing timely updates to senior technical leadership.
- Supervised a team of 10 technicians, providing guidance, task allocation, and performance oversight to achieve project objectives.
- Coordinated cross-functional departments including procurement, stores, and finance to support seamless project delivery and resource alignment.
- Responsible for departmental resources including technical equipment, logistics, and inventory to ensure operational efficiency.
- Developed and implemented preventive maintenance plans (PPM) to enhance system reliability and reducing service interruptions.
- Oversaw installation of alarm systems for UN clients in Entebbe, ensuring quality delivery and compliance with client requirements.

Technical Supervisor**Jun 2022 - Dec 2023****Protectorate spc c/o AIRTEL UGANDA**

- Delivered technical supervisory services to Airtel Uganda, coordinating deployment and improvement of integrated security systems across 100+ sites nationwide, ensuring reliability and compliance with client standards.
- Designed and implemented a centralized control room for real-time monitoring of security operations (CCTV, access control, and time & attendance) across multiple locations, enhancing incident response and oversight.
- Delivered a time and attendance solution across 79 service centers, improving workforce monitoring, accountability, and operational efficiency.
- Supervised a team of 7 technicians, ensuring effective installation, maintenance, and performance of integrated security systems in line with industry standards.
- Conducted site assessments and provided technical recommendations to strengthen coverage, reduce risks, and close security gaps.
- Represented technical operations in client governance and service review meetings, aligning project execution with procurement, IT, and operations stakeholders.

Technician**Aug 2018 - May 2022****PINNACLE SECURITY LIMITED**

- Installed, configured, and maintained integrated security systems including CCTV, access control, intrusion detection, fire alarms, electric fences, and automated gate systems
- Conducted site surveys and contributed to system design and implementation planning, ensuring tailored solutions for diverse client requirements.
- Performed system troubleshooting, maintenance, and upgrades to sustain operational continuity and minimize downtime.

- Trained clients on system usage and delivered post-installation technical support, strengthening user confidence and system effectiveness.
- Monitored field systems in coordination with control room operations, ensuring timely detection and response to security incidents.
- Maintained accurate service records and ensured proper handling of technical equipment and tools, supporting compliance and operational efficiency.

IT Assistant

PINNACLE SECURITY LIMITED

Aug 2016 - Jul 2018

- Supported network and IT infrastructure across head office and branch locations, managing installation, configuration, and maintenance of business software (including accounting systems and office applications), and providing troubleshooting and technical support for network, server, and user systems to ensure reliable performance and operational continuity.
- Liaised with internet service providers (ISPs) to maintain consistent connectivity and minimize service disruptions.
- Performed data backups and system updates to safeguard data integrity and enhance system security.
- Installed and supported CCTV systems as part of integrated security solutions, bridging IT and physical security requirements.

Emmanuel Amodoi

has successfully completed the online Professional Certificate

Google Project Management

Those who earn the Google Project Management Certificate have completed seven courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

ACADEMIC TRANSCRIPT

Name: AMODOI EMMANUEL Reg. No: 2013/TE/0466
Department: ICT Year of Registration: September 2013
Programme: Diploma in Telecommunication Engineering

This is to certify that **Mr. AMODOI EMMANUEL** attended and completed a two- year DIPLOMA program in Telecommunication Engineering at the Uganda Institute of Information and Communications Technology (UICT). His results are as below:

YEAR I

SEMESTER I

	Code	Course	CU	GP	LG
1.	BSM 113	Business Communication	3	5.0	A
2.	EE 111	Principles of Electricity and Magnetism	4	2.0	D
3.	EE 112	Principles of Electronics	4	2.0	D
4.	IT 111	Fundamentals of ICT I	3	4.5	B+
5.	MT 111	Engineering Mathematics I	4	4.0	B
6.	TE 111	electronics Workshop Practice I	3	2.5	D+
GRADE POINT AVERAGE				3.24	

SEMESTER II

	Code	Course	CU	GP	LG
1.	CE 122	Introduction to Microprocessor Technology	4	2.0	D
2.	EE 121	Digital Electronics	4	3.0	C
3.	IT 121	Computer Programming I	3	4.0	B
4.	MT 121	Engineering Mathematics II	4	2.0	D
5.	TE 122	Electronic Communication Principles I	4	2.5	D+
GRADE POINT AVERAGE				2.63	

YEAR II

SEMESTER I

	Code	Course	CU	GP	LG
1.	BSM 211	Industrial Organisations and Management	3	3.0	C
2.	CE 211	Computer Hardware and Maintenance I	4	2.0	D
3.	TE 212	Electronic Communication Principles II	4	4.0	B
4.	TE 213	Radio and Television Technology	4	2.5	D+
5.	TE 218	Optical Fibre Communications	4	2.5	D+
6.	TE 215	Basic Telephony	4	3.0	C
GRADE POINT AVERAGE				2.65	

SEMESTER II

	Code	Course	CU	GP	LG
1.	BSM 214	Book-keeping and Entrepreneurship	3	3.5	C+
2.	TE 227	Introduction to Microwave Communications	3	3.0	C
3.	TE 228	Radio & TV Maintenance and Repair	3	2.0	D
4.	TE 214	Engineering Project	4	3.0	C
5.	TE 221	Data Communication and Networking II	4	2.0	D
6.	TE 223	Mobile Radio Technologies	4	2.0	D
GRADE POINT AVERAGE				2.57	

DIPLOMA IN:	TELECOMMUNICATIONS ENGINEERING
CGPA:	2.77
CLASS:	Class III (PASS)
GRADUATION DATE:	Friday 11 TH December 2015

UGANDA INSTITUTE OF INFORMATION & COMMUNICATIONS TECHNOLOGY (UICT)

ACADEMIC REGISTRAR'S OFFICE

CERTIFIED TRUE COPY

Vision: To be a leading center of excellence supporting ICT-enabled human development in Uganda and beyond
Mission: To provide high quality market-driven and suitable training, research and consultancy services that support the ICT sector.

Uganda National Examinations Board

This is to certify that the candidate named below, and whose photograph appears, sat for the Uganda Advanced Certificate of Education Examination in the year 2012, and qualified for the award of the

Uganda Advanced Certificate of Education

The candidate passed at the level shown (Principal or Subsidiary) in the subject(s) named and attained the Grade(s) as indicated.

AMODOI EMMANUEL
